We have not bought a home in 40+ years and thought Cynthia (her smiling face in the newspaper) could help us. OMG....best choice ever! Cynthia's outstanding patience, knowledge, energy, and kindness helped us re-create our NEW life. She listed, sold, and found us a new home. Words can not express my thankfulness to Cynthia. **Marilyn and Jerry 2016 720-771-6571**

Cynthia was recommended to me by a dear friend and my attorney recommended another real estate broker. WOW..am I thankful I choose Cynthia to list my home. She is such a hard worker and just knows what to do and when to do it. My move has been so smooth and Cynthia orchestrated it all. **Helen 2016 303-665-9646**

Cynthia has literally 'saved my life' during our three real estate transactions. Whatever she is paid, it is not enough! Cynthia is trusting, kind, knows her business and mine (she sold three of my apartment buildings and I bought a townhome from her). I recommend her to ALL my family and friends and/or to **Patricia 2015 720-579-8928**

I know how knowledgeable, how responsive, how solid Cynthia is in her real estate business. Cynthia has helped me with 5 listings and sales from Louisville to Boulder to Niwot. She is miraculous and I am thankful to know with her! **Sonja 2014**

Cynthia has been our trusted Realtor for life. We have done three deals with her...the last one...she made us \$120,000 in three years (I was able to pay for my daughter's college). We are currently in Florida and returning to Boulder area and yep---we called Cynthia. She found us the perfect property in two days. We would recommend her to anyone! **Bill and Julie 2014**

I have known Cynthia for 13 years--we met in a leads group. Knowing Cynthia was the BEST thing I have got from that group. She has assisted me in selling my home in Longmont and has continued to help me navigate a difficult real estate decision that I made without her. If I would have initially listened to Cynthia, my current situation would not be unfolding. Her integrity and knowing leads the way. **Gini 2013**

In real estate, Cynthia has made me money. I have know her for 20 years. She is a hard worker, knows what she is doing, and knows how to negotiate. I have done 6 deals with her and all have been to my advantage. I highly, highly recommend her--she is a techno wizard, too. **Emily 2011**
